**Sec. 29.05.070. Review.** The department shall review an incorporation petition for content and signatures and shall return a deficient petition for correction and completion. (§ 4 ch 74 SLA 1985)

**Sec. 29.05.080. Investigation.** (a) If an incorporation petition contains the required information and signatures, the department shall investigate the proposal and shall hold at least one public informational meeting in the area proposed for incorporation. The department shall publish notice of the meeting.

(b) The department may combine incorporation petitions from the same general area.

(c) The department shall report its findings to the Local Boundary Commission with its recommendations regarding the incorporation. (§ 4 ch 74 SLA 1985)

**Sec. 29.05.090. Hearing.** The Local Boundary Commission shall hold at least one public hearing in the area proposed to be incorporated for the purpose of receiving testimony and evidence on the proposal. (§ 4 ch 74 SLA 1985)

**Sec. 29.05.100. Decision.** (a) The Local Boundary Commission may amend the petition and may impose conditions on the incorporation. Otherwise it shall reject the petition.

(b) A Local Boundary Commission decision under this section may be appealed under the AS 44.62 (Administrative Procedure Act). (§ 4 ch 74 SLA 1985; am § 9 ch 58 SLA 1994; am § 2 ch 86 SLA 1999)

**Sec. 29.05.110. Incorporation election.** (a) The Local Boundary Commission shall immediately notify the director of elections of its acceptance of an incorporation petition. Within 30 days after notification, the director of elections shall order an election in the proposed municipality to determine whether the voters desire incorporation and, if so, to elect the initial municipal officials. If incorporation is rejected, no officials are elected. The election shall be held not less than 30 or more than 90 days after the date of the election order. The election order must specify the dates during which nomination petitions for election of initial officials may be filed.

(b) A voter who has been a resident of the area within the proposed municipality for 30 days before the date of the election order may vote.

(c) Areawide borough powers included in an incorporation petition are considered to be part of the incorporation question. In an election for the incorporation of a second class borough, each nonareawide power to be exercised is placed separately on the ballot. Adoption of a nonareawide power requires a majority of the votes cast on the question, and the vote is limited to the voters residing in the proposed borough but outside all cities in the proposed borough.

(d) A home rule charter included in an incorporation petition under AS 29.05.060(13) is considered to be part of the incorporation question. The home rule charter is adopted if the voters approve incorporation of the city, borough, or unified municipality.

(1) borough mayor and as a member of the assembly; or

(2) city mayor and as a member of the council in a first class city.

(b) Except for a proposed second class city, petitions to nominate initial officials must include the signature and resident address of 50 voters in the area of the proposed municipality, or that area of the proposed municipality from which the officials are to be elected under the composition and apportionment set out in the accepted incorporation petition.

(c) Petitions to nominate initial officials of a second class city must include the signature and resident address of 10 voters in the area of the proposed city.

(d) The director of elections shall supervise the election in the general manner prescribed by the AS 15 (Election Code). The state shall pay all election costs.

(e) The initial elected officials take office on the first Monday following certification of their election.

(f) The initial elected members of the governing body shall determine by lot the length of their terms of office so that a proportionate number of terms expire each year, resulting in staggered terms of office for members subsequently elected. (§ 4 ch 74 SLA 1985)

**Sec. 29.05.130. Integration of special districts and service areas.** (a) A service area in a newly incorporated municipality shall be integrated into the municipality within two years after the date of incorporation. Ordinances, rules, resolutions, procedures, and orders in effect before the transfer remain in effect until superseded by the action of the new municipality.

(b) Before the assumption, the new municipality shall give written notice of its assumption of the rights, powers, duties, assets, and liabilities under this section and AS 29.05.130 to the city or service area concerned. Municipal

officials shall consult with the officials of the city or service area concerned and arrange an orderly transfer.

(c) After the incorporation of a new municipality, a service area in it may not assume new bonded indebtedness, make a contract, or transfer an asset without the consent of the governing body.

(d) Upon incorporation, the home rule charter of a unified municipality operates to dissolve all municipalities in the area unified in accordance with the charter.
